7625 17st SW, Vero Beach, FL.32968

Course Description:

Instructor level course covering OC spray, Chemical, 37/40 and 12G and NFDD munitions. Upon graduating, the students will be able to train end users within their departments.

OC EXPOSURE IS OPTIONAL!

Course Concepts and Skills:

1. History of less lethal munitions.
2. Characteristics of each munition.
3. Range Safety and instruction.
4. Legal issues and Case Law.
5. Safely deploying each munition,.
6. Use of force reporting.
7. Creating SOP for initial and yearly qualifications.

8. Types of injury/damage to expect from each munition.

Student must bring:

- (1) CS Grenade and (2) Smoke Grenades.
- 12g Shotgun or 37/40MM Launcher.
- (5) Rounds of impact munitions your agency uses.
- (2) Live NFDD's (optional: baseball style grenades.)
- (1) NFDD Training body and (2) training fuzes.

If you have problems getting munitions, we can help!

Eye and ear protection, Nomex or leather gloves, gas mask with filter.

Our instructor is the former Director of Training and Master Instructor for ALS.
