

AR Platform Armorer Course

January 28-29, 0900-1700hrs.

Cost: \$695.00

Hosted by Lawrenceville PD, 300 Jackson St, Lawrenceville, GA 30046

This class is limited to only 25 students, please register ASAP!

Course Overview.

This armorer course will train the armorer to inspect, maintain and repair all AR Platform weapons.

Course Topics

Student will learn to inspect, diagnose and repair all authorized repairs on all AR Platform weapons.

Additionally, the students must be able to track weapons maintenance and demonstrate the knowledge required to see good records of weapons maintenance.

Mandatory: Students should bring clear eye protection and small flashlight to find those flying springs etc!

Optional: Students are welcome to bring their agency weapons, they WILL NOT be doing any work on those weapons on; staking, gas tubes or blocks or the Castle Nuts. We will provide weapons to work on for those skills.

Please bring an agency patch and or challenge coin for us to display in our office.

To register please email bill@gts.training or call: 561-371-3864
